IMPACT RUN WINTER JACKET

Black & Nettle Green
\$149.95

With a wind- and water-resistant outer body, the Impact Run Winter Jacket for women is a great option for running or training on cold winter mornings. The athletic cut skims your chest for optimal coverage without compromising your natural movement, while the NB HEAT fabric wicks away moisture to help keep you dry and warm throughout your run.

HEAT GRID HOODIE

Nettle Green
\$89.95

Featuring NB HEAT technology to help keep you warm and dry during outdoor runs, our NB Heat Grid Hoodie also includes mitts and cuffs to keep your hands toasty. This women's hoodie has a longer length to keep more of you protected when you're training in cold weather, while the athletic fit means you'll also look great. The zippered kangaroo pocket provides a convenient storage option when you're on the run.

HEAT GRID VEST

Black
\$89.95

With a sleeveless design and wind-resistant front body layer, the Impact Run Grid Back Vest is a great option for layering while jogging on cold mornings and evenings. The NB HEAT fabric wicks away moisture to help regulate your body temperature and combat sweat to help keep you dry and comfortable throughout your run.

HEAT GRID LONG SLEEVE

Off-Road Heather & Heather Charcoal
\$44.95

If you're heading out for a cold-weather run, make sure you've got your NB Heat Grid Long Sleeve, which features NB HEAT to help keep you warm and dry. This long sleeve shirt for women even has a handy zipper arm pocket to hold your valuables, plus a mock neck and reflective details for elevated style.

IMPACT HEAT TIGHT

Dark Olive & Black
\$89.95

Constructed with NB HEAT technology, the Impact Heat Tight retains heat while wicking away moisture, to help keep you warm so you can enjoy training outdoors all year 'round. With a zip pocket on the back and additional side pockets, these women's tights can accommodate your phone, keys or nutrition while also providing a comfy place to rest your hands.

HEAT LOFT JACKET

Black & Nettle Green

\$149.95

Whether you're running errands or hiking the trails, the NB Heat Loft Jacket is sure to keep you warm and toasty, thanks to its trio of technologies: NB HEAT, NB DRY and HEAT LOFT. Stay warm and cozy with the hood and thumbhole cuffs. This jacket for women also has an athletic fit to keep you looking great and hand pockets to hold all your essentials.

IMPACT RUN WINTER JACKET

Black
\$149.95

With a water- and wind-resistant body, the Impact Run Winter Jacket for men is a great option for running or training on cold winter mornings. The athletic cut skims your chest for optimal coverage without compromising your natural movement, while the NB HEAT fabric wicks away moisture to help keep you dry and comfortable throughout your run.

IMPACT RUN GRID BACK VEST

Heather Charcoal
\$89.95

With a sleeveless design and wind-resistant front body layer, the Impact Run Grid Back Vest for men is a great option for layering while jogging on cold mornings and evenings. The athletic cut skims your chest for optimal coverage without compromising your natural movement, while the NB HEAT fabric wicks away moisture to help regulate your body temperature and combat sweat to help keep you dry and comfortable throughout your run.

RUN GRID BACK 1/2 ZIP

Athletic Grey & Eclipse Heather
\$89.95

Inspired by cold-weather running, our Impact Run Grid Back Half Zip is a versatile and stylish warming layer. This men's running top features NB Heat grid fleece to help keep you warm while wicking away moisture, and a soft poly-knit construction with just a bit of stretch for comfort. A woven chest pocket provides storage for your longer runs.

Q SPEED FUEL JACQUARD LONG SLEEVE

Athletic Grey & Light Burgundy Heather
\$49.95

Whether you're running errands or hiking the trails, the NB Heat Loft Jacket is sure to keep you warm and toasty, thanks to its trio of technologies: NB HEAT, NB DRY and HEAT LOFT.

IMPACT RUN HEAT TIGHT

Black
\$89.95

Constructed with NB HEAT fabric technology, the Impact Run Heat Tights for men wick away moisture with ease and help to keep you warm during cooler weather workouts so you can enjoy training outdoors all year 'round. With a zip pocket on the back and additional side pockets, these tights can accommodate your phone, keys or nutrition.

MEET OISELLE

Oiselle is a Seattle-based by women, for women athletic apparel company that has always loved to go fast, take chances. They make running apparel for female athletes of all ages, paces, and places and bring together a community of women who love to move, run, and fly. Their mission is threefold: make great product, improve the sport, and build the sisterhood.

BY AND FOR WOMEN ATHLETES

LONG ROGA SHORTS

Fall Floral & Black
\$61.95

The BFF to many a long-shorts lover.

The front zip pocket is joined by the addition of an extra large, center back waistband pocket, which is even better for keeping items flat against the body. In addition to the Plya Compression waistband, all Roga styles come in a new Roga Stretch Woven body fabric that maintains the qualities you love in the Roga (comfort, stretch) but with improved drape and hand feel.

ROGA SHORTS

Fall Floral & Black
\$57.95

Oiselle's signature super short with an extra large, center back zip pocket, Plya Compression waistband, and a new Roga Stretch Woven body fabric that has all the same stretch Roga fans know and love, but is more fluid. The fit, the shaping, the ability to go any and every mile—we're happy to present you with a rewired classic that honors the original quest for the non-poofy running shorts!

LUX SIDE ZIP

Pacific/Grounded
\$81.95

A baselayer with benefits: the high neck style we love, but with a zip-down cooling option. The Lux Side Zip is inspired by a beloved version from the past that folks still request. It starts with Classic Lux in a versatile long sleeve silhouette that's intended to fit the body without being tight nor loose; that ideal mid-layer that can go over a tank, but underneath outerwear. And it's a perfect style, really, because it's maximum Lux on your skin. Thumb holes and a pop of contrast Lux behind the neck zip, complete the style!

FLYTE LONG SLEEVE

Shelly Green & Grounded
\$67.95

The Flyte seamless long sleeve is light as flight, soft and never clingy. Your essential cold weather layer with thumbholes, of course!

LUX CROPPED PANTS

Black
\$75.95

Let's face it, we want to live in Lux. The best way to do that is to offer designs that also give us ways to style up our bottoms. These pants bring it! Made in the Classic Lux, in rich double dye. The fit is easy and athletic, plus pockets, and a cropped length that allows for wearing them slightly longer, or pulled up below the knee.

TRIPLE THREAT TIGHTS

Black
\$95.95

Introducing the newest style in Oiselle's effort to create practical garments that are also design-worthy stunners. Like its predecessor, this style is well-pocketed (five!), is high-waisted (flattering, comfortable!), and provides that runner-essential piece that can straddle all kinds of temperatures and mileage (versatile!).

LITE-SHOW WINTER JACKET

Spice Latte/Graphite Grey
\$144.95

Designed with FIREFLY™ technology to improve visibility when running in low-light conditions, the LITE-SHOW™ WINTER JACKET is also complemented with reflective ASICS branding. Additionally, this jacket features a full-zip application and front pockets for storing smaller accessories.

LITE-SHOW WINTER JACKET

Performance Black
\$144.95

Designed with FIREFLY™ technology to improve visibility when running in low-light conditions, the LITE-SHOW™ WINTER JACKET is also complemented with reflective ASICS branding. Additionally, this jacket features a full-zip application and front pockets for storing smaller accessories.

THERMOPOLIS WINTER TIGHT

Performance Black

\$69.95

Men's heavyweight thermopolis tight to keep you warm during cool training months

LITE SHOW BEANIE

Black

\$34.95

Protect your head and stay visible in adverse conditions with the LITE-SHOW™ 2 running beanie. Designed for dedicated runners who want to get out on the road or track in any weather, this hat is made from a soft fleece material that locks in warmth and is windproof, making it a great addition to your training outfit. For your safety, this beanie boasts a reflective spiral logo.

BROOKS

The Brooks logo features the brand name in a bold, blue, italicized sans-serif font. Below the text is a stylized blue arrow that curves upwards and to the right, pointing towards the top right corner of the frame.

 **RUNNERS
PLUS**

The logo for Runners Plus features a white silhouette of a runner in mid-stride, positioned to the left of the brand name. The words "RUNNERS" and "PLUS" are stacked vertically in a bold, white, sans-serif font.

DASH 1/2 ZIP

Rosewood/Hot Pink

\$69.95

When the weather calls for more than just a t-shirt the Dash 1/2 Zip delivers lightweight coverage that adds just the right amount of extra warmth.

NOTCH THERMAL LONG SLEEVE

Heather Flamingo
\$69.95

Stay warm during cold-weather runs thanks to this lightweight, odor-resistant layer that wicks away sweat and stretches to move with you.

GREENLIGHT TIGHT

Beet
\$79.95

A longtime favorite, this women's running tight is soft, supportive, and comfortable thanks to DriLayer® HorsePower fabric. Added bonus: no-bounce pockets, so you can easily store essentials.

NOTCH THERMAL HOODIE

Heather Asphalt/Black
\$89.95

Looking for warmth in a lightweight layer? This thermal running hoodie for men wicks sweat away to keep you warm, dry, and comfortable from start to finish.

NOTCH THERMAL LONG SLEEVE

Heather Sangria/Sangria
\$79.95

Stay warm without overheating in this men's lightweight long-sleeve running layer. Thermal fabric wicks away sweat for comfort during cold-weather runs.

SPARTAN PANT

Black
\$74.95

Loosen up, they said. So Brooks did. This relaxed-fit men's running pant is easy to layer in cold weather. Offset ankle zippers let you change quickly once you're warmed up.

NOTCH THERMAL BEANIE/HEADBAND

Heather Ash
\$24.95

All the warmth without the bulk. DriLayer® Threshold fabric insulates while the notched design traps warmth to keep the cold at bay.
